

Built for rapid delivery without compromising reliability. From small parcels to large-scale supply chains, we move with purpose, precision, and global expertise.

Global Logistics & Freight Forwarding
Corporate Profile

"Beyond logistics — we deliver peace of mind across borders."

Excellence in Global Logistics

Company Introduction

Soham Freight Service Pvt. Ltd. is a leading logistics powerhouse dedicated to providing comprehensive freight and courier solutions to businesses worldwide. We bridge the gap between local manufacturers and international markets, delivering scalable shipping solutions tailored to the unique demands of global trade.

Our Journey & Background

For more than 10 years, we have built a legacy of trusted deliveries. What began as an ambition to simplify shipping has evolved into a fully integrated logistics network. Today, Soham Freight stands as a symbol of operational excellence, handling complex supply chains with ease.

"We have made the best decision by switching to Soham Freight Service Pvt Ltd. Now, our shipments are faster and far more organized."

— Andrey Kachurin, Russia

Core Business Focus

Our primary focus lies in cross-border logistics, long-haul freight and customized supply chain management. We specialize in ensuring your cargo navigates the complexities of global trade seamlessly, efficiently, and securely.

Domestic & International Presence

From vital domestic hubs to far-reaching international ports, our network is expansive. We leverage strategic partnerships globally to ensure that your freight moves unhindered across borders, oceans, and skies.

Why Clients Choose Soham Freight

Clients partner with us because we offer more than transportation—we offer strategic advantage. With our real-time tracking portal, 24/7 dedicated support, and unwavering commitment to safety, we ensure that your cargo is never just a shipment; it's a priority.

Driven by Purpose. Defined by Performance.

Our Vision

To establish continuing excellence by innovating and injecting advanced logistics technologies into the market, and to be recognized worldwide as an outstanding, transformative global freight forwarding company.

Our Mission

To provide seamless, end-to-end logistics and supply chain solutions that empower global trade. We aim to connect businesses to the world through speed, security, and unparalleled customer support, ensuring every shipment reaches its destination with absolute precision.

Core Values

- **Trust:** The foundation of our business. We do what we say.
- **Reliability:** Consistent, secure and on-time performance—every single time.
- **Transparency:** Clear communication and real-time visibility from origin to destination.
- **Commitment:** Your cargo is our responsibility. We go the extra mile.
- **Customer-Centricity:** 24/7 support focused on resolving challenges and exceeding expectations.
- **Global Connectivity:** Bridging borders through strong international networks.

Leadership Philosophy: We believe that logistics is the backbone of the global economy. Our leadership is driven by a future-forward approach—combining sustainable practices, cutting-edge technology, and a deep understanding of international trade to create a logistics partner that businesses can blindly rely on.

Shipping Solutions That Reach the Distance

We offer a comprehensive suite of logistics services designed to scale with your business.

Air Freight

When speed is paramount. We handle timesensitive cargo with priority scheduling, ensuring rapid transit times and secure handling for urgent global shipments.

Sea Freight

Cost-effective and reliable. Allowing clients to concentrate on core business, we manage FCL and LCL imports and exports across global ports.

Customs Clearance

Navigating complex regulations with ease. Our dedicated clearance experts ensure smooth, compliant, and swift processing of your shipments across borders.

Export & Import Logistics

In today's fast-paced marketplace, we streamline your international orders. We handle the intricacies seamlessly of cross-border Exhibition Cargo Services trade

Door-to-Door Freight

End-to-end convenience at competitive rates. We pick up from your facility and deliver directly to the consignee's doorstep, taking full responsibility.

Exhibition Cargo Services

Precision timing for specialized events. We ensure your marketing materials, booths, and products arrive securely and on time for global trade shows.

International Courier

Discounted, highly reliable parcel services tailored for corporate clients needing swift global document and small-package delivery.

Warehousing & Supply Chain

Strategic storage and distribution. We optimize your supply chain with secure warehousing, allowing for seamless inventory management.

Empowering Global Industries

Every industry has unique logistical challenges. Soham Freight delivers specialized supply chain architectures to meet the specific demands of diverse sectors.

- **Ceramic Industry:** Trusted by leaders like the Morbi Ceramic Association, we handle fragile, high-volume, and heavy-weight ceramic exports with precision and specialized care.
- **Manufacturing & Engineering:** Ensuring production lines never halt by delivering critical components, raw materials, and finished goods on stringent schedules.
- **Chemicals:** Safe, compliant and specialized handling of hazardous and non-hazardous chemicals adhering to strict international safety protocols.
- **FMCG (Fast-Moving Consumer Goods):** Rapid-turnaround logistics designed to keep retail shelves stocked and supply chains highly responsive to market demands.
- **Textiles & Apparel:** Keeping the fashion industry moving with high-speed air freight and reliable ocean freight to meet seasonal deadlines.
- **Industrial Machinery:** Expert project cargo handling for oversized, heavy-lift equipment requiring customized routing and secure transportation.
- **Retail & E-commerce:** Agile fulfillment and door-to-door distribution networks built to satisfy the fast-paced demands of modern online consumers.
- **Importers & Exporters:** Comprehensive global trade support, providing a single-window solution from documentation to final delivery for international merchants.

Engineered for Global Reach

A robust presence spanning key global markets from Asia and the Middle East to Europe and the Americas. No destination is too complex.

- **Multi-Modal Transportation:** Seamlessly integrating air, sea, and land logistics to create the most efficient and cost-effective routing for your cargo.
- **Cutting-Edge Technology & Tracking:** Complete shipment visibility. Our advanced digital tracking portal ensures clients have real-time data and peace of mind at every transit stage.
- **Worldwide Freight Partnerships:** Strong, long-standing connections with premier global carriers ensure preferential space allocation, competitive rates, and secure deliveries.
- **Operational Efficiency:** Streamlined, transparent workflows driven by industry experts, minimizing downtime and eliminating supply chain bottlenecks.

The Soham Advantage

What makes us the preferred logistics partner for forward-thinking enterprises?

- **Timely Deliveries:** We understand that in business, time is money. Our routing is optimized for speed and strict adherence to schedules.
- **Real-Time Visibility:** Advanced tracking technology keeps you in control and informed 24 hours a day.
- **Dedicated Support:** 24/7 assistance. There is always an expert available to resolve queries and provide strategic guidance.
- **Personalized Service:** We don't believe in one-size-fits-all. Every client receives customized routing and logistical planning.
- **Global Network:** Bridging local markets to international hubs with seamless connectivity.
- **Customs Expertise:** We eliminate border delays by ensuring perfect compliance, documentation, and regulatory adherence.
- **End-to-End Management:** From factory floor to foreign door, we take complete ownership of the supply chain.
- **Safety Guaranteed:** Rigorous packaging and handling protocols ensure your cargo arrives in the exact condition it left.
- **Industry Experience:** With 10+ years of operational excellence, we bring deep domain knowledge to every shipment.

Moving the Future Forward

A Message from the Leadership

"Our journey at Soham Freight Service Pvt. Ltd. has always been guided by a single principle: Your cargo is our commitment. In a rapidly evolving global marketplace, we recognize that our clients need more than just a vendor; they need a strategic partner. We have built our global network on the pillars of trust, speed, and absolute transparency. As we look to the future, we remain dedicated to innovating our technologies and expanding our reach, ensuring that wherever your business needs to go, Soham Freight will get you there safely and on time."

Future Growth Vision

To continually adopt greener, sustainable logistics practices while expanding our digital infrastructure—creating a globally connected, eco-conscious, and ultra-efficient supply chain network for tomorrow's businesses.

"The reason for expanding our business globally is the trust Soham Freight Services has developed with us. They handle international shipping like a pro."

— Mr. Nilesh Jetpariya, President, Morbi Ceramic Association

Exhibition Cargo Service

EVENTS CARGO, DELIVERED WITH CARE

Soham Freight Services Pvt. Ltd. is a trusted and authorized logistics partner for leading exhibition and event companies. With more than 10 years of experience in exhibition cargo handling, we specialize in managing time-sensitive shipments with precision and reliability.

Shipping your exhibition materials shouldn't be a concern for you. Leave the logistics to us while you focus on delivering a successful and impactful event experience. Our experienced team handles every aspect of the cargo process with care and efficiency, ensuring your materials arrive safely and on time.

THE BACKBONE OF YOUR EXHIBIT

We provide professional packing facilities designed according to destination customs requirements and international handling standards. Every shipment is carefully packed and managed to ensure safe transportation and smooth customs clearance.

On-Stand Delivery for Exhibitions

We deliver your exhibition cargo directly to your stand, ensuring your materials are placed at the designated booth safely and on schedule.

From customs documentation to venue-specific delivery schedules, Soham Freight handles every detail with precision. Whether it's a trade exhibition, product launch, business event, or cultural showcase, we ensure your displays, promotional materials, and equipment reach the destination securely and on time.

Global Operational Strength: Branch Network

Our extensive domestic and international presence is the backbone of our operational agility. Our local expertise ensures seamless handling and compliance across vital trade hubs.
